

TPMS Training

Participants:

This TPMS training is aimed at tyre fitters, tyre dealers and garages. The only requirement to attend our courses is that you have experience in the assembly of wheels.

The training courses are held in small groups of max. 9 participants.

Duration:

1 day (about 6 hours)

Location:

Bartec Auto ID Ltd, Unit 9 Redbrook Business Park, Wilthorpe, Barnsley, S75 1JN.

Training contents:

TPMS Theory

- Explanation of the European regulations
- Differences and functioning of the different systems (direct, indirect)
- Structure of and differences between OE sensors
- Maintenance of sensors
- Differences and functioning of universal sensors
- Sensor mounting and special tools
- Theoretical instruction in the operation of TPMS diagnostic tools

TPMS Practice

- Sensor mounting
- Vehicle check with the TPMS diagnostic tool
- Programme universal sensors (copy/create)
- Relearn sensors to the vehicle (OBD)

Success monitoring and awarding of the certificate.

Course Fee:

POA. The price includes, apart from the training course itself, the training material, test and certificate, lunchtime catering as well as coffee/tea and cold drinks throughout the day.

Dates:

The training courses take place in regular intervals. You can find a scheduling overview on our website.
